

# ***KCYS Field Use Policy***

As members of the Renton, Covington, and Kent communities we are fortunate to have the fields available for our use that we do. We have worked long and hard to develop positive working relationships with the owners of the fields we use. As such, it is our responsibility to act as good stewards and follow the rules for usage at each of these fields. Below you will find some guidelines for field usage that KCYS has put together. Ultimately, we look to coaches and team managers to help enforce these guidelines with your players, parents and visiting teams.

## **French Field @ Kent Meridian High School:**

- Only players, coaches and team managers are allowed beyond the fence line during games. All spectators must remain in the stands.
- Water only down on the fields. No sports drinks allowed down on the track or field.
- No Food of any kind is allowed down on the track or field
- NO PETS. This includes pets in the stands. Leave Spot at home.
- NO portable benches allowed on the fields. There are already benches on both sides of the field for team use.
- Police your team's garbage. Make sure your team cleans up after themselves and all empty bottles find their way into waste cans
- Keep portable covers off the turf
